Club Nights / Practice - Although the field is open to members for practice anytime, the club nights will be Tuesdays and Thursdays - 2:00pm until dark and Sundays all day. There may be special events run by The Washlands which will limit our use of the field, but adequate notice will be given to the members.

Club Competitions and DCAA League – These are for all club members to take part in, with the handicap (H/C) competitions being an equal challenge for beginners to experienced archers alike.

Open Competitions – These are formal competitions and require completion of an entry form to take part. These are available on the BBA and DCAA websites, or directly from the club. We also need members to help out on the day.

Club Open Day, Beginners Courses and Have-a-go's – As a key source of income for the club, we rely on club members to volunteer their time to help run them. Please assist at as many of these as you can.

Safety – Junior members should be accompanied by a parent or guardian and must have a senior club member present. In the event of other sports taking place on the field, warning signs and bunting should be erected in the appropriate positions.

Reminder - Annual subscriptions are due on or before 31st July 2019.
